

Mount Pleasant Primary School Uniform Policy

Approved by School Council: November, 2025

Uniform Policy

Our uniform policy reflects our values and reinforces our school's culture of high expectations and academic achievement. All pupils must dress in accordance with our uniform policy. Our school uniform is important to us for a number of reasons. It is one way we identify ourselves as a school community and it promotes a strong, cohesive school identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school and it enhances security.

Smartness and high standards of appearance are expected at all times. We have a required school uniform for several reasons:

- Uniforms unite the school.
- Pupils make a commitment that when they put on a Mount Pleasant uniform they will abide by the school Code of Conduct.
- Uniforms reduce distractions. We are focused on achieving success. When pupils are allowed to wear their own clothing, there is the potential to talk about fashions and styles which can detract from the learning.
- Uniforms make us equal. Whether families have high or low incomes, the pupils come to school all looking the same way. No one has to feel guilty about the clothes they have or don't have.
- Uniforms look professional. Pupils look neat and ready to learn.

We ask parents and carers to support all decisions by school staff regarding whether or not clothing is appropriate or inappropriate for school. **It is the headteacher's right to deem whether the school uniform, hair cut etc. is inappropriate.**

Non-compliance with the Uniform Policy

Parents and carers will be contacted about their child not being in uniform unless a valid reason has been provided. They will be asked to bring in the appropriate uniform. **If no uniform is brought to school their child will be asked to put on some clean, spare uniform. We have numerous items of spare uniform which a child can wear.**

There may be good reasons why a child is not wearing school uniform. In this case, parents and carers should share their reasons with the class teacher/home school mentor or headteacher by letter, school platform, telephone call or in person. The school will always be considerate and discrete in trying to establish why a pupil is not wearing the correct uniform. Pupils will not be made to feel uncomfortable, nor discriminated against, because their parents are unable to provide them with the required items of school uniform. In line with our culture of honest conversations with parents and carers, we encourage discussion

with the school at the earliest opportunity if there are any difficulties. We can loan out spare uniform when it is necessary.

Each Friday we have a P.E. focus in school and an instructor taking lessons. This is known as Physical Friday and children can come to school already wearing their P.E. kit. In the colder seasons children can wear plain jogging bottoms and a plain black hoody. Some hoodies are available to purchase from the school office with the school logo on.

When children enter year 6 they have the option to purchase a Leavers' hoodie which they can wear all year round. These can be purchased from the school office and include the school logo and child's initials. Please note this is not compulsory.

There will be occasions when the school decides that school uniform is not appropriate e.g. when taking part in a physical activity day, some school trips or wearing different clothes as part of a fund raising event or as a reward. Parents and carers will be notified in advance of what the revised dress code is on these days.

Racial Equality & Equal Opportunities

All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as equality, race relations, sex discrimination and allows for individual sets of circumstances of all groups and individuals. Mount Pleasant Primary School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.
